Parental permission required

There are areas in which our school requires parental/caregiver permission.

1. For you to receive emails from the classroom co-ordinators on behalf of the Friends of Ōrākei (FOS) we require your permission to release your email address. These emails are to inform you of specific social events involving your child's classroom.

2. In order to keep our website and school documents current we would like to be able to display photographs of children engaged in learning and team or recent school activities & events. To be able to do this successfully we need the permission of parents and caregivers to use photographs that may show an image of your child. In most cases, photographs will be of groups although there may be occasions where an individual photograph would be required.
 - I **do / do not** (please circle) give permission for my child/children's photograph to be displayed on the Ōrākei School Website and school Documents.
 - I **do / do not** (please circle) give permission for my child/children's photograph to be used.

3. On occasion your child/children could have the opportunity to participate in a school event or activity locally that requires them to walk to this event or activity, under the supervision of school staff.

ŌRĀKEI SCHOOL IN ZONE STATUTORY DECLARATION

IMPORTANT INFORMATION FROM THE MINISTRY OF EDUCATION

The address given at the time of application for enrolment must be the student's usual place of residence when the school is open for instruction. This means that if you currently live at an in-zone address, but move to an out-of-zone address before your child's first day of attendance, your child will not be entitled to enrol at the school.

The Ministry of Education has also advised that parents should be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in-zone living arrangement which they intend to be only temporary e.g:

- renting accommodation in-zone on a short-term basis;
- arranging temporary board in-zone with a relative or family friend;
- using the in-zone address of a relative or friend as an "address of convenience", with no intention to live there on an ongoing basis.

If the school learns that a student is no longer living at the in-zone address given at the time of application for enrolment and has reasonable grounds to believe that the temporary in-zone residence has been used for the purpose of unfairly gaining priority in enrolment at the school, then the board may review the enrolment. Unless the parents can give a satisfactory explanation within 10 days, the board may annul the enrolment. This course of action is provided for under section 110A of the Education Act 1989.
