Special Programmes

Currently we are in the process of having our Rūmaki and Montessori classes classified as special programmes. The priority category will apply when the special programmes are approved by the Secretary.

Out of Zone Enrolments

Each year the Board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The Board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received. Applications for enrolment will be processed in the following order of priority:

First Priority will be given to Rūmaki and Montessori applicants who meet the criteria set for the special programmes at Ōrākei School however the priority category is not applicable at this school until these programmes are approved by the Secretary.

Second Priority will be given to applicants who are siblings of current students.

Third Priority will be given to applicants who are siblings of former students.
