**Re: COVID-19 UPDATE - School Attendance**

Dear Parents and Caregivers,

Under Alert Level 3 schools will be closed and we ask parents to keep their children at home from school for the remainder of the week.

However, there will be provision for students whose parents are essential workers if no alternative care arrangements can be made.

If you are an essential worker you must enrol your child to attend by e-mailing Fehm Hussain, Deputy Principal : [fehnh@orakei.school.nz](mailto:fehnh@orakei.school.nz). Please include your child's full name and year level and your essential role. This information will help us to establish safe in school bubbles to support the families of essential workers.

Kind regards,

Michael Earl
