Re: COVID-19 UPDATE - School Attendance

Dear Parents and Caregivers,

Following the Prime Minister's announcement of a move to Level 3 lockdown in Auckland from 6am today, **Ōrākei School will be closed this coming week.** However, there will be provision for students whose parents cannot work from home if no alternative care arrangements can be made.

If you need your child to attend school you must enrol your child by e-mailing Fehm Hussain, Deputy Principal: fehmfh@orakei.school.nz

Please include your **child's full name and year level.** This information will help us to establish safe in school bubbles in accordance with the Ministry of Health's strict health and safety guidelines.

We will provide more information as it becomes available.

Kind regards,

Michael Earl
PRINCIPAL
